The plans provide unlimited reading access throughout the [JPASS Collection](#), as well as limited downloading—10 articles for monthly plans, and 120 for annual plans. Users may access JPASS anywhere and from any device—it's like having a personal, digital library at your fingertips. Visit jpass.jstor.org to browse the collection.

E-News Question and Answer

Q: As I type this email, I am trying to upload my evaluation (score sheet, evaluation narrative). I tried, once again, to upload the file, and the uploading circle kept swirling forever. Then, I cut and paste, which I am waiting for acceptance.

A: In order to complete your review, log in to your account and enter your **Reviewer Center**. The manuscript for review will be listed under **Review and Score**. Click the button below **Perform Review**. Here, you will be able to view the proof of the manuscript, as well as the **Instructions** how to perform the review and **Details** about the manuscript. Click the **Score Sheet** tab in order to process the review.

Submitting or reviewing a manuscript is a very simple process using ScholarOne. If you get stuck, all you have to do is ask for help.
